LMR can't do anything about the above, but we can help you with the way you use your machinery and labour. Talk to the ring about your requirements. LMR has a new labour supplier (Thorn Baker) that have successfully supplied a number of staff. They specialise in construction and gang labour.

If you are buying a car this winter, call LMR for the Marshall deal. We have two very happy members already, who have saved themselves a lot of money and hassle. This includes our Toyota GB Fleet Deal, which will save you significant sums on your purchase. They gave good straight forward advice and I couldn't beat their finance deal." Please call Andrew for details before you purchase. Tel 01780 460074

LMR SERVICES LTD

Another busy month has brought more new members into the Ring as a result of getting out and about to various networking events across the region. I am finding service company work is being generated from the most unlikely sources.

As a result of this, I am organising an LMR networking evening at Rileys American Pool and Snooker Club, 1 Normanby Road, Scunthorpe, on Wednesday 14th November from 5.30pm onwards. It is hoped this event will encourage members and non members to meet each other and discuss business opportunities which I can hopefully coordinate through LMR Services Ltd.

If you would like to attend, please let me know by 2nd November on 07903 323212 or email me at ian@lmr.org.uk

A FREE BUFFET WILL BE PROVIDED

If this event is well supported, I will organise more across the East Midlands. I have been offered other venues by kind permission of Gary Franiuk, of Marshall Motor Group of Grantham.

I have also been invited to 'The 5th Newark Vintage Tractor and Heritage Show on Sat 10th and Sun 11th November at Newark Showground' I hope to meet members there on our LMR Services Ltd Stand

Kind regards,
Ian.
