## September

2010

### Managers' Report

August has been a challenge yet again, however members have embraced the few opportunities to run combines and bring the harvest in. I hope that the extra expense of drying has been offset by the improved prices available for most crops. LMR has mobile driers available for those wishing to dry grain for sale or for long-term storage.

You may need to review your levels of crop insurance as historic levels of cover are likely to leave members under insured, which is never a good position to be in when making a claim. If you are reviewing your insurance, please note that we have members offering farm insurance at very competitive rates.

LMR and its' members have been busy through the season, offering labour, tractors, fuel, combines, drills, balers, seed and fertiliser. We are interested in any contracting opportunities that you may have in the near future.

I am very pleased with the way the seed and fertiliser sales have gone and would be pleased to quote for your ongoing requirements. I believe that we have a comprehensive range at very competitive prices for you.

Slugs and their eradication will be a concern to many, with the new rules limiting the amount that can be applied. LMR can supply ATV's and applicators as well as the pellets. Please call us for assistance.

#### Hay and Straw trading

LMR has been actively involved in baling straw and organising sales for members this summer. We currently have demand for straw - so please call if you are buying or selling.

#### Farm Building Projects

I am expecting a busy period for new farm buildings. LMR members offer all the services you need for a new farm building. They can help with planning, supply the building and all groundworks, aggregates and concrete. Please call for competitive quotes for your building project. Members also offer associated services such as electrical installations, CCTV and alarm systems.

#### Popular Autumn requests

- Rabbit fencing – materials and installation
- Birdscarers - a wide choice with discounts from Central Wool Growers and Spaldings
- Bottled gas
- Spare parts/filters – great service, choice and discounts
- Potato Boxes

#### Potato Harvest

LMR members are ready to help with the supply of labour and machines for the potato lifting season. Please call to discuss the options.

#### Member services

Triple bed potato desiccation service available within 30 miles of Sleaford, for fast and effective skin set.

Combines are available

Cultivators looking for work

## Seasonal Topics – LMR can help you with Beet & Potato lifting, Drilling, Hedge Cutting and Land Cultivation

First of all, I would like to thank McKinnells Solicitors and Duncan & Toplis Accountants for their very kind sponsorship of my latest LMR & LMR Services Ltd Network Event, and for the tremendous number of visitors who attended, which made the evening a resounding success. Job wise, I have been busy organising fencing, flailing, septic tank emptying, drain jetting and underground drain camera surveys, hay and haylage making, pond weeding and de silting, PAT testing, spot spraying thistles, grass mowing, herbicide and insecticide spraying of sports fields, tree felling, quad bike spraying of herbicides, CCTV installations, combining, drilling, cultivating and grass seeding, mole gassing, supply and installation of a large elevator and electric roller doors, and supplying labour to members.

LMR offers various land based training courses for Machinery, FLT, Health & Safety, Management, Livestock etc from November to March. Please book early with me to avoid disappointment!

Farm security is a big worry as always, and LMR members can provide you with such services as security guards with dogs, totally secure machinery storage compounds, complete CCTV systems and plastic or metal lockable fuel stations, supplied and installed, so please give me a call and I will arrange a free site survey and quotation for you. New to LMR is a vehicle and machinery TRACKER device supplier, and also alarms and invisible sensors for farmyards etc. Following the success of the LMR Services Ltd diaries, I am now taking orders from LMR members wanting to place a full colour advert in the next batch of 300 which will go out at Christmas. First come, first served so don't delay, call me today!

**LMR and the HSE are holding a Safety Awareness event at Newark Showground on Thursday 4<sup>th</sup> November, and I have 20 trade stands available at £50 each on a first come, first served basis. Please give me a call if you would like to book one.**

Finally, LMR Member Ben Spink, who organised a sponsored tractor drive in May 2010 from Lands End to John O'Groats, has been nominated as the Kidney Research Sponsor of the Year for raising well over £20,000 for this very worthwhile cause. I would like to personally thank the numerous

LMR members who gave up their time to help with the organisation of the event, and also the large number of sponsors for their very generous support. Well done to you all!

I will look forward to socialising with many of you at the Annual LMR Dinner Dance at Scunthorpe on Saturday 20th November!

Kind regards,

Ian.

Seasonal Topics – LMR can help you with  
Beet & Potato lifting, Drilling, Hedge Cutting and Land Cultivation

The Following is a list of events and dates for your Diary.

### Ploughing Championships

LMR will be having a stand at the 60<sup>th</sup> British National Ploughing Championship, which this year will be held on the 9<sup>th</sup> & 10<sup>th</sup> October at Grange- De – Lings Lincoln – please come a long for a chat and to sort your Autumn work.

### LMR,S THIRD ANNUAL DINNER

We are having our third annual dinner at the Forest Pines Near Brigg on Saturday 20<sup>th</sup> November advanced places been sold now – spaces limited and people have already started booking so call marion on 01507 600888 or email [marion@lmr.org.uk](mailto:marion@lmr.org.uk)

This is a great chance to celebrate getting harvest in and having a good time with good food and friends.

### 2011 Handbook

After the success of doing last years handbook in house we will be keeping this in house from now on. We have had some suggestions on things you would like to see in the handbook to make it of more use to our members. We have been asked to include some contract price rates, which we are now hoping to do so that both the supplier and demander have guide prices.

If any one has any further suggestion please contact Marion in the office.

We printed 2500 handbooks last year and have given out all put a few, which will be used at the summer/autumn events.

If you wish to have an advert in the 2011 Handbook please contact the office to book a space - 2011 will be our 20<sup>th</sup> year so we are hoping that it will be our best handbook to date so please book a space asap as last year we had a waiting list that we have to disappoint due to high demand.
