Managers' Report

Great to see so many members at this year's LAMMA Show. The snow & rain that came later set the challenge for this Spring and members are ready to help. The Summer labour campaign is on and we have begun our advertising on behalf of members. Now we all like a winter project and the ring is busy developing construction services inc Aggregate & Concrete, Building Supply and fitting for grain Storage, Call Andrew for this exciting development. The Service Company continues to bring new turnover to members (see Ian's report). Following the success of the inaugural LMR dinner, plans are afoot for this years' event at the Olde Barn, (See over for more details). Thankyou to all members for supporting LMR in 2008 and we look forward to meeting your needs in 2009.

Spring Work

After a winter fit only for Ducks, members are preparing for spring. We have Drain Jettors to clear wet spots, LGP Spreaders & Sprayers to tread lightly and combination drills for Spring Drilling. New for 2009 are direct into Stubble bean drills. Call the team for more information.

Harvest 2009 Labour

We are preparing once again to meet members skilled Harvest labour needs, contact the office when planning the harvest as labour supply increases from the wider economy we are able supply contract labour, licensed gang master staff and casual harvest workers.

Harvest Combining Success

Spare capacity so valuable in bringing home harvest 2008 is looking for planned acreage for Harvest 09. With machinery price inflation from the weak pound, contracting is rapidly showing as the cost effective alternative. Capacity is available to take on 500+ acres call to us to discuss the options.

Considering UREA this Year?

Your Ring has high capacity spreaders available with GPS to take advantage of this cost effective source of Nitrogen this year. As well as capability to spread straight P & K on site specific basis, call the office to make efficient use of crop nutrition.

Fuel Reminder

LMR fuel service continues to grow supplying 8.7 million litres last year. As rationalisation continues in the fuel supply industry add the ring to your supplier list and see how much we can save your business. Our broad supply base enables us to deliver what you want when you need it.

Call William 01507 600888 or Andrew 01780 460074 for a quote.

Whole Farm Management

Reviewing your system of farming in the new credit era? Contact the ring to discuss the services you're able to offer, the costs in the business and the possibilities of sharing the cost through cooperating with fellow members. The results can be constructive and enlightening, talk to us for an impartial view on cost effective machinery operation.

2009 Handbooks are here.

With this mailing please find enclosed our latest updated handbook, useful to locate fellow ring members in your area and share the benefits of membership. Someone missing? Get them to join and claim £20 worth of wine vouchers for introducing them to the benefits of LMR. Please reacquaint yourself with the ring regulations and method of operation to ensure the services you offer are compliant with our terms. Particular attention is necessary to safe systems of work, insurance requirements and the rules of the direct debit system.

Serving The East Midlands

**Seasonal Topics – LMR can help you with
Pest Control – LGP Spraying – Spring Cultivations – Rabbit Clearance/Fencing**

LMR SERVICES LTD

I would like to invite as many of you as possible to my next LMR Services Ltd Network Event to be held at new LMR member Horncastle Golf Club and Conference Centre on Thursday 9th April at 5.30 pm. The event is jointly sponsored by Martin Dady of Fox Owmy Ltd and David Chadderton of www.protekt.uk.com, with the buffet kindly provided by Simon Allsop Commercial Insurance Services.

For all you aeroplane enthusiasts, the Prize Draw will include a Limited Edition Battle of Britain Memorial Flight Print kindly donated by David Chadderton!

It was great to meet so many LMR members at LAMMA on the LMR Services Ltd stand at Newark Showground in January. Farm security is a big worry as always, and LMR members can provide you with such services as complete CCTV systems and plastic or metal lockable fuel stations supplied and installed, so give me a call and I will arrange a free site survey and quotation for you.

I am looking for Parish Council grass cutting, fencing, tarmac laying, pest control, construction/civil engineering and any other work opportunities, so please ring me on 07903 323212 or email ian@lmr.org.uk if you hear of opportunities in your area.

Thank you to everyone who contacted me with new leads for work opportunities after my request in the last newsletter. This has resulted in extra income for both LMR and some of its members, and also it has brought several new members to LMR, so please keep contacting me with information to follow up.

Job wise, I have been busy organising fencing, supplying and fitting of more Multi Use Games Areas, flailing, reed cutting, septic tank emptying, and supplying labour to members.

Remember me also if you have any flooding issues and need vacuum tankers, drains jetting, land drains repairing or laying, septic tank emptying etc.

Kind Regards

Ian. 07930 323212 ian@lmr.org.uk

Training - You tell us what you need and we will find it!

Further to our last newsletter, as harvest is now over you need to be looking into updating your skills, We have a number of suppliers who can arrange training for you. Anything from Health & Safety to updating your Driving licence (towing etc). The more courses we can arrange the more savings we can pass back to you, Please contact Marion on 01507 611889 or email marion@lmr.org.uk. As the rules change and new people join the company you need to make sure you have the right certificates. We can also offer a number of NVQ qualifications. Now is the time to do it before we start spring work.

Saving your own Spring Seed

Mobile and static seed dressing services are available from members to prepare your seed for drilling this Spring. They also sift through borderline samples to raise specific weight and possibly Hagberg. Contact the office to arrange the service.
