Managers' Report

I am encouraged to see LMR continue to expand in membership and services. The number and diversity of services and deals on offer to members is greater than ever. I would encourage all of you to call the office for prices, no matter what project you are working on. There is a strong probability that we'll have a special rate or the service you require at the right price.

Harvest time is on our minds once again. LMR is many members' first choice for summer labour, grainstore cleaning, crop roguing and tractor & trailer hire. We have over 100 applicants looking for summer work. Please call to access those that meet your needs, whilst they are available.

2008 brought out the best in LMR members. The awful weather tested most businesses' harvesting, cultivating and drilling plans beyond expectation. However, time and again members came to each others' rescue, getting the crops harvested and the drilling done. There are lots of professional members looking for work this season. Please contact us now so that we can plan your requirements for this summer.

LMR Directorships

LMR is looking for new Directors. Due to the expansion of the Board and the planned rotational retirements LMR requires new directors. We seek enthusiastic members with time to share their skills and business knowledge to help take us forward. LMR needs member involvement on the board if it is to prosper and grow in the direction that the members want. If you would like to stand as a Director for LMR, please return the enclosed form, or contact us for further details.

LMR SERVICES LTD

Thank you to everyone who contacted me with new leads for work opportunities after my request in the last newsletter. This has resulted in extra income for both LMR and some of its members, and also it has brought several new members to LMR, so please keep contacting me with information to follow up.

Job wise, I have been busy organising fencing, flailing, septic tank emptying, asparagus planting, maize and pea drilling, PAT testing, spot spraying thistles, grass mowing, herbicide and insecticide spraying of sports fields, tree felling, chair, cutlery and crockery hire, quad spraying of herbicides on railways, CCTV installations, and supplying labour to members.

Remember me also if you have any flooding issues and need vacuum tankers, drains jetting, land drains repairing or laying, septic tank emptying etc.

Farm security is a big worry as always, and LMR members can provide you with such services as complete CCTV systems and plastic or metal lockable fuel stations supplied and installed, so give me a call and I will arrange a free site survey and quotation for you.

It was great to meet so many LMR members at my recent LMR Services Ltd Network Event held at Horncastle Golf Club and Conference Centre. The event was jointly sponsored by Martin Dady of Fox Owmy Ltd and David Chadderton of Protekt, with the buffet kindly provided by Simon Allsop Commercial Insurance Services. My personal thanks once again to you all.

Please contact me if you can provide or sponsor a venue and buffet for the next event in June, ideally in the Boston or Skegness area. These events are growing as they move around the LMR region, and are providing valuable marketing opportunities for members, as well as generating business for both LMR and LMR Services Ltd.

The show season is upon us again and LMR Services Ltd will have a stand at:-

The YFC County Rally at Wispington Farms Ltd on Saturday 16th May.

Open Farm Sunday at Sutton Estates, Stainton le Vale, on Sunday 7th June.

Brocklesby Show, on Sunday 28th June.

Phillips Seeds Ltd / TAG Trials Open Day, late June, at Welbourn Heath. Contact Matthew Phillips for details. 01522 731414

I will also be visiting Cereals, Lincolnshire Show, and Driffield Show so please contact me if you would like to meet up for a chat about LMR and LMR Services Ltd.

Kind regards,

Ian.
