Western Managers' Report

LMR is now actively planning for the harvest period. We have taken a lot of orders for tractors and trailers and are now moving onto summer labour. Finding the right person for your requirements is best started early. Please call us to discuss your needs. If your harvest and cultivation plans include the use of contractors, please remember that within LMR there is a wide selection of machinery and skilled operators. We will find a competitively priced contractor that can work to your plan. Please call now so we can ensure maximum choice.

We can now offer members the facility to forward purchase fuel. Members with 500,000lts have already expressed an interest. The premium is about 2.5p/lit over spot price. This is one way to control a volatile cost. LMR purchases millions of litres of fuel for members each year, if you have not had a quote recently please call for a price.

We hope to see you at the Openfield/ LMR variety trials at Wakerley Near Stamford LE15 8PA on June 1st at 4.30pm. This will be a good opportunity to see wheat and oil seed rape under trial conditions covering variety, establishment and fertiliser. Please join us for a BBQ on what promises to be an interesting and enjoyable evening.

Like me many of you would have been a member of a Young Farmers Club. If your son or daughter is interested in meeting new people and they enjoy rural pursuits, they could consider the Grantham and district YFC who are looking for new members. Please support this inspiring and active federation and contact Angela 01522 568989.

LMR Annual General Meeting

1.15pm 03rd June 2010

Riseholme Campus, Lincoln LN2 2LG

Fertiliser and Seed

LMR has a comprehensive choice of seed and fertiliser available at competitive prices. Please call for a quote for your season's requirements. We can also supply grass and conservation mixes for your ELS and HLS options

String, Wrap and Netwrap

We now have prices for the above items please call for a quote.

2010 Spring Clean

Before it starts getting too busy, why not have a LMR spring clean.

Weather you're a new member or a LMR veteran ... Its time to look at making the most of the Machinery Ring.

Step 1: Have you completed a Services list book – This allows all the staff at LMR to see what services you have to offer, this then allows us to match your services with incoming demands. If we do not know you have it we cannot tell other members who want it.

Step 2 : Utilities : What contacts are up for renewal, Phones, Electric or Insurance, Let us know and we will get back to you when the time is right and be able to give you a quote to compare your current suppliers with.

Step 3 : Don't forget to save on bulk and pump fuel, Ag chem., Fertilisers and many other consumables.

Step 4 The Ring In what way can LMR, the Machinery Ring help you further? Let us know.

The Ring is here for you. Use it!!!

Some of Our Services:

All Fuel Bulk & Bottles
Ag Chem and Fert
Contracting work of Labour
Lubricates
Tyres
Straw, Hay, Haylage and Silage

Many other services please look in your handbook for more services available

If you re not sure if we can help call us on 01507 600888

Summer Labour

Please call us with your labour requirements for summer. LMR has a list of available workers and will be advertising for additional staff on your behalf shortly.

Remember AGM June 3rd Riseholme Campus, Lincoln 1.15pm

**Seasonal Topics – LMR can help you with
Grain Store Cleaning – Hay Making - High Clearance Spraying – Summer Labour – Equine**

LMR EASTERN & LMR SERVICES LTD

Thank you to everyone who contacted me with new leads for work opportunities after my request in the last newsletter. This has resulted in extra income for both LMR and some of its members, and also it has brought several new members to LMR, so please keep contacting me with information to follow up. Job wise, I have been busy organising fencing, flailing, septic tank emptying, potato planting, maize, carrot, and pea drilling, PAT testing, spot spraying thistles, chain harrowing, grass mowing, fertiliser, herbicide and insecticide spraying of sports fields, mole gassing, installing electric roller doors, tree felling, quad spraying of herbicides on railways, CCTV installations, and supplying labour to members. Farm security is a big worry as always, and LMR members can provide you with such services as complete CCTV systems and alarms, plastic or metal lockable fuel stations supplied and installed, and mobile farm security patrols with trained dog handlers, so give me a call and I will arrange a free site survey and quotation for you. I can also arrange 24 hour guarded and CCTV protected caravan and vehicle storage, either short or long term to members. I am hoping to organise an LMR / HSE Safety Awareness Day at Newark Showground on Thursday 4th November, and I am looking for a business to sponsor the room hire, and also a sponsor for the catering please. I will also be selling trade stands for the event, which we hope will attract 240 farmer members on the day.

These events are growing as they move around the LMR region, and are providing valuable marketing opportunities for members, as well as generating business for both LMR and LMR Services Ltd.

The show season is upon us again and LMR & LMR Services Ltd will have a stand at:-

The YFC County Rally at Castledyke Farm, Gypsy Bridge, Boston on Saturday 22nd May.

Open Farm Sunday at Sutton Estates, Stainton le Vale, on Sunday 13th June.

Brocklesby Show, on Sunday 27th June.

I will also be visiting Cereals, Lincolnshire Show, and Drifffield Show so please contact me if you would like to meet up for a chat about LMR and LMR Services Ltd.

Finally, I would like to remind you all of Ben Spink's sponsored Tractor Drive from John O'Groats to Lands End next month in aid of Kidney Research. Ben is still looking for businesses to sponsor him and he has several advertising packages available to give YOUR business both local and national publicity. Please ring Ben on 07974 268614 for more details or visit

Members Board

Wanted

Silage and Fodder Beet

Hay & Straw

Terragator Spreader Drivers all areas

Harvest Student Horncastle area

Grain Store Operators Lincoln area and Brigg area

Corn Cart Drivers Grimsby area

Full time Sales staff for main ag dealer

For Sale

Farm scale bio diesel tanks, pumps and heater

1.5t hopper, fits pallet tines – may suit livestock farm

Combining and Cultivation services

LMR has many members offering combining, Cultivation and baling services. Using a contractor may provide the cost effective solution. There is the added benefit of timelines as well as the opportunity to try different machines and techniques. Please call to discuss your requirements.

Grain store cleaning and Rouging

Teams are available for cleaning grain stores and bins as well as for rouging sugar beet and wild oats. Please call now to book a team

Sign Writing

We now have members that can produce signage for your farm and machinery.

Straw Wanted

LMR members are looking for straw in the swath this harvest. Prices on offer reflect the increased cost of fertiliser. Compaction is minimised as most contractors now use chasers for bale collection. Most straw types considered. Please call Andrew or Ian

Advertising rates for Newsletters

Members may promote their businesses and new services to 785 ring members via A5 inserts in with the newsletter for a very reasonable contribution to the mailing costs of £200.00(+Vat). Contact the Office for more details. 01507 611888.
