APRIL 2016

MANAGER'S MESSAGE

LMR enters its 25th year full of enthusiasm for the role it can play helping members with the many challenges that their businesses are currently facing. With much of agriculture struggling with depressed prices for a second year and uncertain future price prospects the need for efficiency and cost savings is a priority for members. Fortunately these are the areas where LMR can play a central role. Your LMR has evolved into a business that can provide solutions to many of the cost of production challenges that you face. The range of machines and services on offer from members of LMR is unrivalled in our region and is an extremely valuable resource for members to utilise. It may well be a lower cost solution to hire machines or use contractors than to own all of the equipment. Using contractors gives access to a choice of machines and the latest technology. There is the added bonus that drivers are supplied, removing the problem of employing skilled operators year round.

With commodity prices being depressed many members are challenging their input costs. Fortunately LMR has built up strong relationships with suppliers with many offering group discounts and deals. The aggregation of your orders allows us to achieve superior prices on many of the essential inputs, such as fuel, oil, spares, tyres, electricity, etc. for crop and livestock production. You will be familiar with many of our group deals and discounts, but please refer to the rest of the newsletter for

updates. Please call to discuss as significant savings and solutions are available.

We would like to thank Mitas Tyres for offering two places on their Czech Republic tyre factory tour to Andrew and LMR member Lawrence Hayes. It promises to be a very interesting few days.

With kindest regards

Andrew & Jayne

LMR COMPETITION

WIN

An AEGIS WELDING HELMET

Premium Welding Products

Kindly sponsored by Engweld

To enter, just answer this question:-

What time of day is the LMR's champagne reception being held at the Lincolnshire Show?
